DEFENDANT: GLEN ROBERT ANDERSON

CASE NUMBER: 0:22-CR-00104-PJS(1)

#### STANDARD CONDITIONS OF SUPERVISION

As part of your supervised release, you must comply with the following standard conditions of supervision. These conditions are imposed because they establish the basic expectations for your behavior while on supervision and identify the minimum tools needed by probation officers to keep informed, report to the court about, and bring about improvements in your conduct and condition.

- 1. You must report to the probation office in the federal judicial district where you are authorized to reside within 72 hours of your release from imprisonment, unless the probation officer instructs you to report to a different probation office or within a different time frame.
- 2. After initially reporting to the probation office, you will receive instructions from the court or the probation officer about how and when you must report to the probation officer, and you must report to the probation officer as instructed.
- 3. You must not knowingly leave the federal judicial district where you are authorized to reside without first getting permission from the court or the probation officer.
- 4. You must answer truthfully the questions asked by your probation officer.
- 5. You must live at a place approved by the probation officer. If you plan to change where you live or anything about your living arrangements (such as the people you live with), you must notify the probation officer at least 10 days before the change. If notifying the probation officer in advance is not possible due to unanticipated circumstances, you must notify the probation officer within 72 hours of becoming aware of a change or expected change.
- 6. You must allow the probation officer to visit you at any time at your home or elsewhere, and you must permit the probation officer to take any items prohibited by the conditions of your supervision that he or she observes in plain view.
- 7. You must work full time (at least 30 hours per week) at a lawful type of employment, unless the probation officer excuses you from doing so. If you do not have full-time employment you must try to find full-time employment, unless the probation officer excuses you from doing so. If you plan to change where you work or anything about your work (such as your position or your job responsibilities), you must notify the probation officer at least 10 days before the change. If notifying the probation officer at least 10 days in advance is not possible due to unanticipated circumstances, you must notify the probation officer within 72 hours of becoming aware of a change or expected change.
- 8. You must not communicate or interact with someone you know is engaged in criminal activity. If you know someone has been convicted of a felony, you must not knowingly communicate or interact with that person without first getting the permission of the probation officer.
- 9. If you are arrested or questioned by a law enforcement officer, you must notify the probation officer within 72 hours.
- 10. You must not own, possess, or have access to a firearm, ammunition, destructive device, or dangerous weapon (i.e., anything that was designed, or was modified for, the specific purpose of causing bodily injury or death to another person such as nunchakus or tasers).
- 11. You must not act or make any agreement with a law enforcement agency to act as a confidential human source or informant without first getting the permission of the court.
- 12. If the probation officer determines that you pose a risk to another person (including an organization), the probation officer may require you to notify the person about the risk and you must comply with that instruction. The probation officer may contact the person and confirm that you have notified the person about the risk.
- 13. You must follow the instructions of the probation officer related to the conditions of supervision.

#### SPECIAL CONDITIONS OF SUPERVISION

- 1. You must comply with the mandatory and standard conditions of supervised release described in § 5D1.3 of the version of the United States Sentencing Guidelines that took effect on November 1, 2018, except that mandatory drug testing is suspended based on my determination that you pose a low risk of future substance abuse.
- 2. You must not view, possess, distribute, produce, or have access to child pornography.
- 3. You must not knowingly associate with anyone under the age of 18 except in the presence of a responsible adult who is aware of the nature of your criminal record and who has been approved by the probation officer.
- 4. You must not have contact of any kind—including, but not limited to, contact through visits, letters, phone calls, emails, text messages, social media, real-time chats, or any other means—either personally or through a third party—with any victim of your crimes without the prior consent of the probation officer.
- 5. You must participate in sex-offender treatment, mental-health treatment, or both, as approved by the probation officer, and you must submit to risk assessment. Any such treatment or assessment must be conducted by a therapist approved in advance by the probation officer.
- 6. You must register with the state sex-offender registration agency in Minnesota and in any other state in which you live, work, or are a student, and you must follow all of the other requirements of the Sex Offender Registration and Notification Act.
- 7. You must not possess or use a computer or have access to the Internet without the prior approval of the probation officer. You must identify to the probation officer all computer systems, internet-capable devices, and similar memory and electronic devices to which you have access, and you must allow installation of a computer- and internet-monitoring program. Monitoring may include random examination of computer systems and of internet, electronic, and media-storage devices under your control. The computer system or devices may be removed for a more thorough examination, if necessary.
- 8. You must give the probation officer access to any requested financial information that will assist the probation officer in monitoring your compliance with these conditions of supervised release, including bank statements, credit-card bills, telephone bills, bills from internet-service providers, and bills from cable- or satellite-television providers.
- 9. You must allow a probation officer or someone designated and supervised by the probation officer to search your person, residence, office, vehicle, or any area under your control. The search must be based on reasonable suspicion of contraband or evidence of a supervision violation, and it must be conducted at a reasonable time and in a reasonable manner. You must warn any other residents or affected third parties that your residence, office, vehicle, and areas under your control may be subject to searches under the conditions I have just described.
- 10. If you do not maintain full-time, lawful employment as deemed appropriate by the probation officer, you may be required to do community-service work for up to 20 hours per week until you become employed. You may also be required to participate in training, counseling, or daily job searching as directed by the probation officer.

The probation office is directed to furnish to you a written statement of all of the conditions of your supervised release.
